

## **Embodying its corporate culture – medisana moves into the Arcus building in Neuss**

*Neuss, 02.06.2021.* **medisana GmbH**, specialist in the development and manufacture of health and wellness products, is relocating its headquarters from Neuss-Grimlinghausen to the **Arcus building** at **Carl-Schurz-Straße 2** in Neuss-Hammfeld. As of **May 2021**, the company will move into the state-of-the-art office space over **1,300 square metres** in the immediate vicinity of Neuss city.

“This move will act as a springboard for our growth plans, as well as signalling our clear commitment to the Neuss region”, emphasises Managing Director **Thomas Hollefeld**. The change of location offers numerous advantages for the company and its employees, such as a comprehensively more modern working atmosphere and better connections to the local infrastructure. “This move will enable us to create the perfect conditions as an employer and become increasingly attractive to employees – especially for young talent”, adds Hollefeld.

As a leading specialist in the home healthcare market, medisana wants to continue promoting the topics of “health and wellness” within the company and to actively live out its brand promise, “**Your health in good hands**”. Modern working requires a flexible and communicative workplace design. The modern, ergonomically furnished office space is deliberately designed in an open-plan style to inspire working together as a team. It also offers secluded spots for working alone and options for working from home. Active relaxation and balance is provided by a wellness lounge, in which, among other things, employees have access to massage chairs.

A move under the motto: **Work better together and grow successfully together.**

medisana is one of the leading specialists in the home healthcare market. For over 35 years, the German company has been committed to the health of people with the motto “Your health in good

hands.” medisana is a pioneer in the trend of mobile health management and provides future-oriented products for modern everyday life in an increasingly networked world. In the field of massage, the company based in Neuss is the German market leader. medisana develops, markets, and sells products related to mobile health, health monitoring, wellness, sport, personal care, therapy, and healthy homes to health-conscious consumers around the world.
